Our data and technology partners are conducting a new research project to help inform and enhance our digital services.

As part of this initiative, [CACI](#) is inviting ProtectUK users to share their insights by completing a short survey.

The survey will take approximately 10 minutes to complete and will include topics related to your previous use of the ProtectUK App such as:

- Your needs and experiences using the ProtectUK App
- Opportunities for innovation and improvements
- How the app fits within ProtectUK's broader mission
- When and where you engage with the app

To take part, select the link below and complete the survey at your convenience.
