ProtectUK

Are you making the most of the free security and resilience resources available through ProtectUK?

ProtectUK publication date

24/07/2026

Join us on Wednesday 5 August at 12:00pm for a free online introduction to ProtectUK.

Whether you're a small business, a large organisation, or part of the public sector, this session will show you how ProtectUK can help you better understand threats, improve security, and enhance organisational resilience.

What you will learn:

- An overview of ProtectUK and who it's designed for
- How to access free guidance, tools and practical resourcesThe range of free e-Learning products available to help build protective security awareness and knowledge
- Ways to strengthen your organisation's preparedness and resilience to evolving threats

Hear from those putting it into practice

We are delighted to be joined by an industry partner who will share real-world insights into how they've used ProtectUK resources and the benefits they've seen within their organisation.

Free to attend and open to organisations of all sizes.

Whether you're completely new to ProtectUK or looking to unlock more of its potential, this session will provide practical insights, useful resources, and simple steps you can take away and apply immediately.

Register today and discover how ProtectUK can support your organisation's security and resilience journey.
