RUN HIDE TELL - School Teaching Guide

ProtectUK publication date

13/10/2021

This video shows the steps that should be taken by those who find themselves caught up in a terrorist event. It is a vital piece of learning material which can be used within schools and educational institutions, helping to prepare if such an event takes place.

RUN HIDE TELL

When there is threat and risk of marauding terrorist attack, it is important to **RUN HIDE TELL.**

These steps can help save lives and prevent casualties in the event of an attack.
