Our vision

ProtectUK is a trusted and reliable source of free counter terrorism protective security and preparedness advice, guidance and learning for venues and public spaces across the United Kingdom.

Our mission

To provide free and easy access to information, guidance and learning to help businesses and communities understand protective security, improve their response to the risk of terrorism and keep people safe.

Who we are

ProtectUK is a platform that provides freely available counter terrorism and protective security advice. We support business, government and community organisations in the public and private sectors who are responsible for venues and public spaces.

1. **View the latest advice and guidance**: Find the best advice and guidance for you and look through the wide range of documents that are available to you. If interested in looking at how to ensure your business keeps moving, check out Response. Looking for ways to protect your staff and prepare them? Have a look at the Security section.

2. **Perform a risk assessment**: Visit the Risk Management Process page and follow the steps to perform a risk assessment, helping you to improve your organisations risk management.

3. **Get interactive**: Perform the award winning ACT awareness e-learning to bolster your security knowledge. If you have questions around security or want to increase your knowledge, our e-Learning covers key topics.

4. **Read our news articles**: Our news articles give the latest updates on the world of counter terrorism, threat analysis from our analysts, and general updates on the ProtectUK platform.

5. **Register to get full access to the platform:** To be able to get the most out of ProtectUK, register today.
