ProtectUK

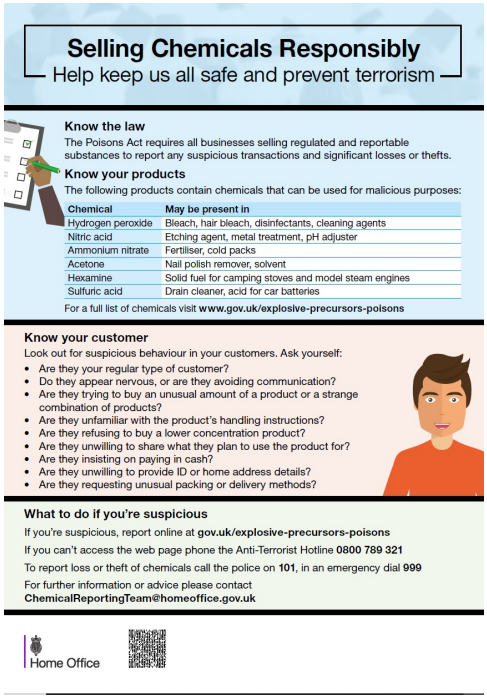

Selling Chemicals Responsibly: Leaflet and Posters

Below is a range of posters and a leaflet that have been designed to assist you in keeping your staff aware of their legal obligations under the Poisons Act 1972.
They have been designed to be both printed and displayed in staff areas and for use within staff training packages and websites.

Resources

Asset	Asset Information	Download here
	Leaflet	Web
	1 x Web version	Print 1
	3 x Printable versions	Print 2
		Print 3

Asset	Asset Information	Download here
	Poster	Standard
	The poster comes in two versions, one with an example chemical product list and the other with an editable list that you can add you own products of concern to. Both allow you to add your own logo in the bottom right corner should you wish to.	Editable
