holidays. During this period we can see a signification and night time accommy promises. This shocklist	
measures are in place.	will help to ensure that the right protective security
	Review your Security and Business Continuity Plans
	Identify your risks, based on the current threat
	Increase staff vigilance: Ensure all staff are fully briefed to positively engage with customers and report any suspicious activity to security or police
	Enhance your security presence where appropriate and consider staff patrolling in high visibility clothing
	Security officers should have a visible presence, clearly display their ID badges and be briefed
	Review your Emergency Assembly Point
	Review and communicate any
	emergency/evacuation procedures to staff and

ensure all necessary equipment, including first aid

This checklist has been created to assist businesses during periods of increased visitor footfall within

the retail and night time economy premises, such as the lead up to the New Year and national

	•
	Review Evacuation, Invacuation and Lockdown
	procedures. Ensure that you have plans for
	vulnerable staff and visitors and designated
	marshals to support this activity
	Check the ability to control access points to your
	premises
	Check CCTV is fully operational and that you have
	available staff members who are trained to
	operate it
	Unattended Items: Ensure staff understand how to
	respond to unattended items. Do staff know the
	HOT principles?
