

Terrorism

ProtectUK publication date

12/08/2021

Terrorist groups use violence and threats of violence to publicise their causes and as a means to achieve their goals.

Terrorism is a major threat for businesses. Terrorist groups may seek to cause harm to the economy as a whole by attacking business premises or they may seek to attack specific businesses to advance their political agendas. The threat is not confined to the UK; companies that do business overseas may also be targeted.
