# ACT

## ACTION COUNTERS TERRORISM

A suite of counter terrorism awareness products designed to be delivered to business, industry and others – especially those operating in venues and public spaces.

## ACT e-LEARNING

 1 hour

 All employees/members of the public

A free online course that can be started and paused. Modules include Identifying security vulnerabilities; Identifying and responding to suspicious activity or items; and How to respond to a marauding attacker. Security and Education sector courses are also available on ProtectUK.

## ACT in a BOX NEW

 100+ minutes per scenario

 All job types

Interactive, digital exercises to help businesses rehearse and explore their response to a terrorist incident. Available on ProtectUK.

## ACT AWARENESS

 2 hours

 All job types

An introduction to counter terrorism delivered in person by our CTSA's. Modules include topics from the e-Learning, plus social media, postal threats, insider threats and more.

## ACT OPERATIONAL

 3 hours

 Operational supervisors/staff

A facilitated and interactive scenario-based session delivered by our CTSA's. It aims to raise awareness of the ongoing threat from terrorism and improve the security culture within an organisation. Participation will increase staff confidence in how to respond to a situation or incident effectively.

## ACT STRATEGIC

 3 hours

 Policy writers/decision makers

A facilitated, interactive workshop delivered by our CTSA's for businesses in a geographical area. This session will help organisations to exchange good practice and review strategies in order to prepare, manage and recover from an attack.

## ACT CORPORATE

 Senior managers

An engagement day coordinated by NaCTSO consisting of briefings by subject matter experts. Events are delivered regionally, to decision makers from small and medium local businesses, or nationally to decision makers from businesses and associations within targeted sectors, such as retail, sport or hospitality. The sessions aim to embed CT awareness and guidance within organisational plans and policies.

To request a session, or for further information, contact the CTSA team in your police force area. CTSA contact details can be found on the 'Working with CTSA's' page of ProtectUK.

# SEE, CHECK AND NOTIFY SUITE

Organisations wishing to focus specifically on hostile reconnaissance can opt for See Check and Notify (**SCaN**) workshops, designed to help businesses maximise safety and security using existing resources. Delegates learn how to spot suspicious activity, deter it and what to do when they encounter it.

An introduction to **SCaN** is included in the ACT e-Learning and ACT Awareness products. The **SCaN** for All package is also available as a self delivery. For more information, visit the National Protective Security Authority (NPSA) website.

## DECISION MAKERS

 30 minutes

 Decision makers

A strategic awareness briefing delivered to senior executives at a site or organisation. It covers all SCaN approaches and packages, including the merits of adopting SCaN.

## CCTV OPERATORS

 3 hours

 CCTV Operators

A course for CCTV operators, enabling them to understand hostile reconnaissance, identify suspicious activity, have an awareness of observational and judgmental errors, and work in partnership with the police.

## COMMS PROFESSIONALS

 2.5 hours

 Comms professionals

A workshop to enable communications professionals to deliver security minded deterrence communications at their site.

## SECURITY MANAGERS

 On-going

 Security managers

A mentoring programme that aims to empower the security manager to target harden their site against hostile reconnaissance.

## LINE MANAGERS

 30 minutes

 Supervisors/Managers

A film to increase awareness of hostile reconnaissance undertaken by someone within an organisation and how to disrupt insider events at the earliest stages.\*

## CUSTOMER FACING

 3 hours

 Customer facing staff

An interactive course for staff with direct contact with customers and site users. It covers suspicious activity, the importance of vigilance, the power of hello and how to report.

To request a session, or for further information, contact the CTSA team in your police force area. CTSA contact details can be found on the 'Working with CTSA's' page of ProtectUK.
